

ALJOSCHA HOFMANN

Aljoscha Hofmann was born in Freiburg in 1980. After graduating from Rudolf Steiner school, he worked for three years as a camera assistant at the public service networks SWR and WDR in Freiburg and Cologne. Already in love with filmmaking, he subsequently studied Philosophy, History, and European Ethnology in Freiburg. During his studies he produced for a university television magazine, as well as his own experimental documentaries. From 2008 to 2013 he studied directing at the Film Academy Baden-Württemberg. Since graduating from the Filmakademie 2013, he has been producing documentaries for ZDF, ARTE and SWR in addition to artistic productions like music and dance videos.
